SEPTEMBER-DECEMBER 2015

Specialised Online Human Rights Courses!

HREA and the Human Rights Centre of the UN-mandated University for Peace (UPEACE) jointly offer six-week online courses on human rights topics throughout the year.

These certificate courses are aimed at professionals working with the United Nations, government officials, NGO staff, development workers, human rights advocates, academics and students.

Courses can also be taken for 2 graduate level academic credits recognized by UPEACE.

Applications are limited to 25 participants for each course.
